**Dear Parent**

Congratulations and very warm greetings! Welcome to the new academic session 2019-20. I express my gratitude for your sincere cooperation and support in the smooth and successful completion of the Session 2018-19.

Another academic year has gone by and the new session has started with a lot of enthusiasm and fervour. The beginning of a new session is a time for new hopes and dreams. It is the time to begin with new energy and fresh vibes. The performance of the students in the previous academic year in both academic and co-curricular activities has charged all of us with enthusiasm. We want each of our students to grow, thrive, question and learn. Our goal is to create self-sufficient, independent citizens with a passion for learning and respect for self and others. We rededicate ourselves to a student – centric programme that promotes academic excellence through an enriched, rigorous and inter-disciplinary curriculum and highly qualified and experienced staff. Together we will strive to reach the fullest potential of our children.

The much awaited summer vacation is knocking at the door. Every year students wait eagerly for the summer vacation as a break from the hectic schedule and some leisure time. Summer vacation is a wonderful time for self learning. So, let your child make optimum use of the vacation. Let your ward explore nature, discover different cultures, traditions, cuisine, local crafts etc. of the places that you visit during the vacation. It is an ideal time for them to pursue hobbies and follow their passion. It is said, 'Reading maketh a full man', so encourage your ward to read newspapers and magazines to keep abreast with current happenings. Make a list of the books for your ward and give her or him plenty of reading this summer. It is also the time to indulge in good quality time with family and friends and learn to value relationships.

Wishing to see your child after the summer break rejuvenated and revitalized with a **Broader Outlook and Positive Attitude**.

Seeking your full co-operation

With regards,
