6th & 7th August 2026

ABOUT OUR SCHOOL

D.A.V. Public School, Sector- 14, Faridabad functions under the aegis of D.A.V. College Managing Committee which was enunciated in 1886 by the efforts of the venerable Mahatma Hans Raj. D.A.V. schools are run by the Dayanand Anglo Vedic Society on the principles of 'Dispelling Ignorance and Promoting Knowledge' propounded by Arya Samaj.

Therefore, our goal is clear: in DAV, we are to provide education and expanded knowledge at par with the best in the world while keeping it well within the parameters of our ancient vedic heritage. DAV students get the best of the two worlds: they compete with the world for knowledge and opportunities and simultaneously build a strong, noble character rooted in vedic values.

ABOUT CONVENTUS 4.0

Model United Nations is a dynamic educational simulation where students step into the shoes of diplomats and engage in debates, negotiations and problem-solving on pressing international issues. It enhances the eloquence and confidence through formal speeches and impromptu discussions and helps in carving their skill set which will help them in their future endeavors.

Conventus'26 promises an exciting acquaintance with different committees with debatable agendas. Experience the empowerment of contributing to feasible solutions for today's challenges - from abortion rights to artificial intelligence. It provides a platform where you can interact with fellow students who share your passion for global change and build friendships and networks that extend beyond the conference.

Do not miss the opportunity of immersing yourself in diverse perspectives of countries worldwide, which can surely be a great help in sharpening your research, critical thinking and public speaking skills as you tackle real-world problems. Mark your calendars to be the part of an unforgettable MUN experience!

Message from THE PRINCIPAL

Dear Future Diplomats,

“Diplomacy is the art of building bridges where walls once stood.”

It is with immense pride and great anticipation that we unveil the fourth edition of Conventus to be held on 6th and 7th August 2026 at DAV Public School, Sector 14, Faridabad.

This intellectually invigorating conference has been envisioned as a dynamic forum where dialogue replaces discord and informed discourse lays the foundation for impactful change. Conventus MUN 4.0 is not merely a scholastic pursuit—it is an experience that transcends the boundaries of conventional education and nurtures the leaders of tomorrow.

This platform has been meticulously curated to sharpen your analytical insight, enhance your rhetorical dexterity and—most importantly—inculcate essential life skills that will anchor your future aspirations. We believe that the discerning minds of today’s youth hold the potential to conceptualize transformative ideas, invigorate global conversations with fresh viewpoints and propose meaningful resolutions to the multifaceted challenges confronting our world. It is profoundly encouraging to witness our dedicated MUNites coordinate this monumental initiative with commitment, innovation and a spirit of purposeful collaboration.

At its core, Conventus MUN 4.0 is a celebration of youthful intellect, responsibility and leadership. When bright minds convene with a shared vision, the result is not only excellence in execution but also meaningful contributions to the global narrative. We extend our warmest invitation to all aspiring delegates to be a part of this prestigious simulation—an opportunity that promises to be both mentally enriching and personally transformative.

To our meticulous organizing committee and every participating delegate, we convey our heartfelt commendations. As you tread the path once walked by history’s most revered negotiators—those who chose dialogue over discord—we wish you an experience marked by dignity, clarity and depth. May your deliberations reflect discernment, your speeches embody conviction and your memories be steeped in camaraderie and purpose.

With warm regards,
Dr. Anita Gautam
Principal

Message from THE CO-ORDINATORS

Ms. Pallavi Gulati
(Event Co-ordinator)

Ms. Shivali Sharma
(MUN Co-ordinator)

Dear Delegates and Esteemed Participants,

“In a world of complexity, diplomacy remains our finest instrument of clarity.”

It is with immense pride and thoughtful anticipation that we welcome you to Conventus MUN 4.0, scheduled for 6th and 7th August 2026 at DAV Public School, Sector 14, Faridabad. As members of the Organising Committee, we are privileged to curate this intellectually vibrant space where voices of the youth resonate with insight, conviction and a sincere aspiration to make a difference.

In today's rapidly evolving global landscape—marked by ecological strain, geopolitical instability, humanitarian concerns and resource scarcity—it is imperative that our younger generation is not only aware but actively engaged in shaping sustainable solutions. Conventus MUN 4.0 stands as a meaningful initiative where student delegates representing diverse regions and ideologies will research, deliberate and constructively challenge prevailing global issues. It is through these immersive simulations that they acquire critical skills in negotiation, leadership, collaboration and public speaking—skills that will serve them in both civic life and professional futures.

This year, our committees address a rich spectrum of contemporary concerns. We encourage you to participate with both analytical depth and empathy, embracing the spirit of inquiry and the value of respectful dissent. Let this be an opportunity not only to exchange ideas but also to forge enduring bonds across cultures and disciplines, fostering a generation prepared to act with clarity, courage and conscience.

On behalf of DAV Public School, Sec-14, Faridabad, we extend our heartfelt gratitude to each delegate, faculty mentor and stakeholder for contributing to the legacy of Conventus MUN. We look forward to two days of rigorous discourse, dignified debate and collaborative growth.

東京

COMMITTEES
&
AGENDAS

UNSC

Addressing the Strategic Economic Implications of the Iran–Israel–United States Conflict, with Special Emphasis on Regional Escalation and Global Trade Disruptions

The United Nations Security Council (UNSC) is entrusted with the maintenance of international peace and security, possessing the authority to take binding decisions, impose sanctions and authorize interventions in response to global conflicts. It serves as a central decision-making body where nations convene to address critical threats to global peace and security, playing a decisive role in shaping international responses to conflict. It plays a critical role in managing crises that threaten geopolitical stability.

The evolving tensions involving Iran, Israel and the United States along with many middle East countries have far-reaching implications that extend beyond military confrontation, significantly impacting global trade routes, energy markets and economic stability. Escalation in this region risks disrupting vital supply chains and intensifying uncertainties in international commerce.

Delegates in this committee will be tasked with assessing the economic dimensions of the conflict, analysing its broader global repercussions and formulating strategic responses aimed at de-escalation, economic resilience and the preservation of international stability.

UNGA

Promoting Nuclear Disarmament with Special Emphasis on the Reduction of Global Nuclear Stockpiles

In an era marked by escalating geopolitical tensions and ongoing conflicts, the threat of nuclear confrontation continues to cast a shadow over global peace and stability.

The United Nations General Assembly (UNGA) is the primary deliberative body of the United Nations, comprising all member states and serving as a forum for multilateral dialogue on global issues. It provides a platform for nations to collectively address matters concerning international peace, security and cooperation.

Nuclear weapons continue to pose one of the most significant threats to global stability, with existing stockpiles capable of causing catastrophic humanitarian and environmental consequences. Despite various treaties and non-proliferation efforts, disarmament remains a complex and often contested objective due to geopolitical tensions and national security considerations.

In this committee, delegates will engage in nuanced discussions surrounding nuclear disarmament, evaluate existing international frameworks and propose actionable strategies to reduce nuclear arsenals, strengthen global trust and move towards a more secure and sustainable international order.

AIPPM

Deliberation on the Paradox of Jobless Growth in India: Evaluating GDP Expansion Amid Rising Informalization and Gig Work Instability

The Lok Sabha, as the lower house of India's Parliament, serves as the primary legislative body responsible for shaping national policy and addressing pressing socio-economic challenges. It functions as a platform where elected representatives deliberate on issues that directly impact the nation's growth and governance.

In recent years, India has witnessed significant GDP expansion; however, this growth has not translated into proportional employment generation, giving rise to the phenomenon of "jobless growth." The increasing informalization of labour and the rapid rise of gig-based employment have further complicated the employment landscape, often characterized by income instability, lack of social security and limited worker protections.

In this committee, delegates will critically examine the structural gaps between economic growth and employment, analyse policy inefficiencies and propose sustainable solutions aimed at fostering inclusive growth, employment security and equitable economic development.

UNCSW

Promoting Economic Equity and Financial Inclusion for Women with Special Emphasis on Reducing the Global Gender Pay Gap

The United Nations Commission on the Status of Women (UNCSW), established in 1946, is the principal global intergovernmental body dedicated to the promotion of gender equality and the empowerment of women. It plays a pivotal role in shaping international standards and policies addressing issues such as economic participation, social justice and women's rights.

Despite progress in various sectors, gender-based economic disparities continue to persist worldwide, most notably in the form of the gender pay gap and unequal access to financial resources and opportunities. Structural barriers, discriminatory practices and limited financial inclusion continue to hinder women's full participation in the global economy.

Through this agenda, delegates will explore mechanisms to promote financial inclusion, address systemic inequalities and advocate for policy frameworks that ensure fair wages, economic independence and long-term empowerment of women across diverse socio-economic contexts.

UNHRC

Ensuring Accountability of Private Military and Security Companies in Conflict Zones, with Special Emphasis on Human Rights Violations and Regional Instability

The United Nations Human Rights Council (UNHRC) is responsible for promoting and protecting human rights across the globe, addressing violations and ensuring accountability through international cooperation and dialogue. It serves as a vital platform for examining emerging challenges to human dignity and justice.

The increasing reliance on private military and security companies by states, non-state actors and multinational entities in conflict zones has raised serious concerns regarding accountability, transparency and adherence to international human rights standards. Allegations of misconduct, including human rights violations and lack of regulatory oversight, have further intensified global scrutiny over their expanding role in modern conflict scenarios.

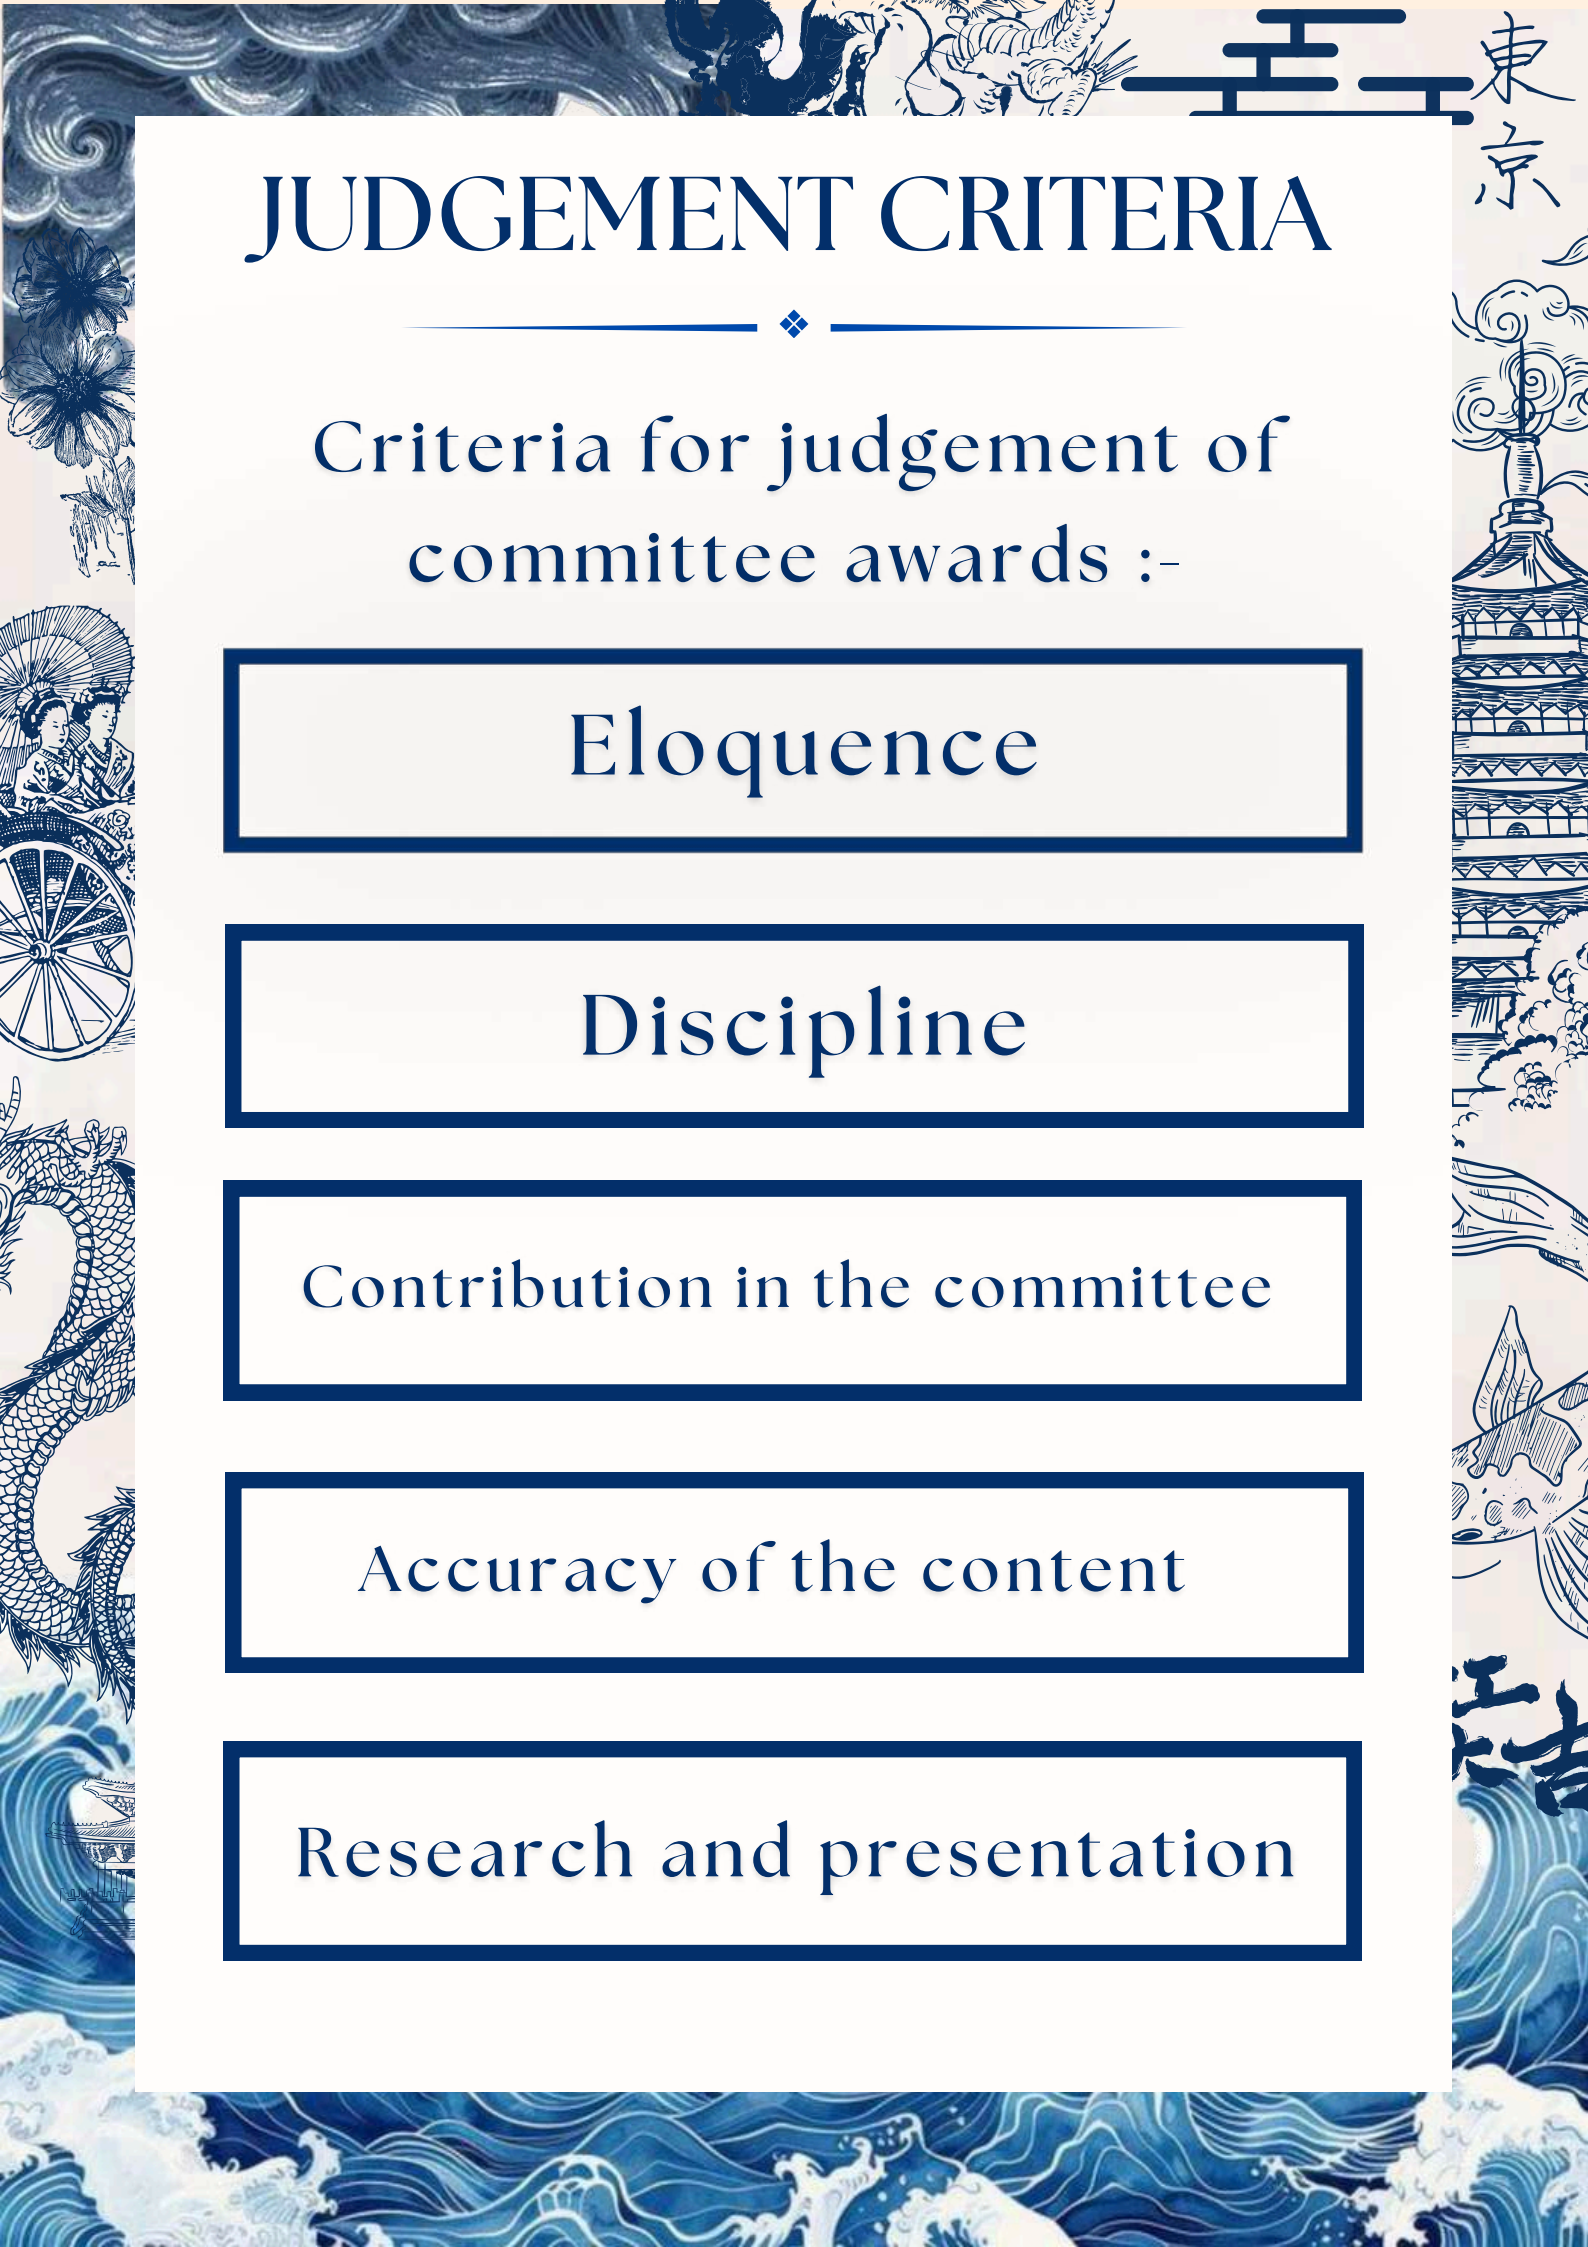

Within this committee, delegates will deliberate on mechanisms to regulate such entities, strengthen accountability frameworks and ensure the protection of human rights, while addressing the broader implications of their operations on regional stability and global governance.

INTERNATIONAL PRESS

Journalists, caricaturists & photographers

International Press is a global organisation which covers the developments within the committees. Journalists/reporters report on the proceedings and developments of the conference. Photographers capture candid and staged shots of MUN sessions, delegates and speakers whereas caricaturists use their artistic skills to create caricatures or cartoons that provide a unique and humorous form of political commentary

JUDGEMENT CRITERIA

Criteria for judgement of
committee awards :-

Eloquence

Discipline

Contribution in the committee

Accuracy of the content

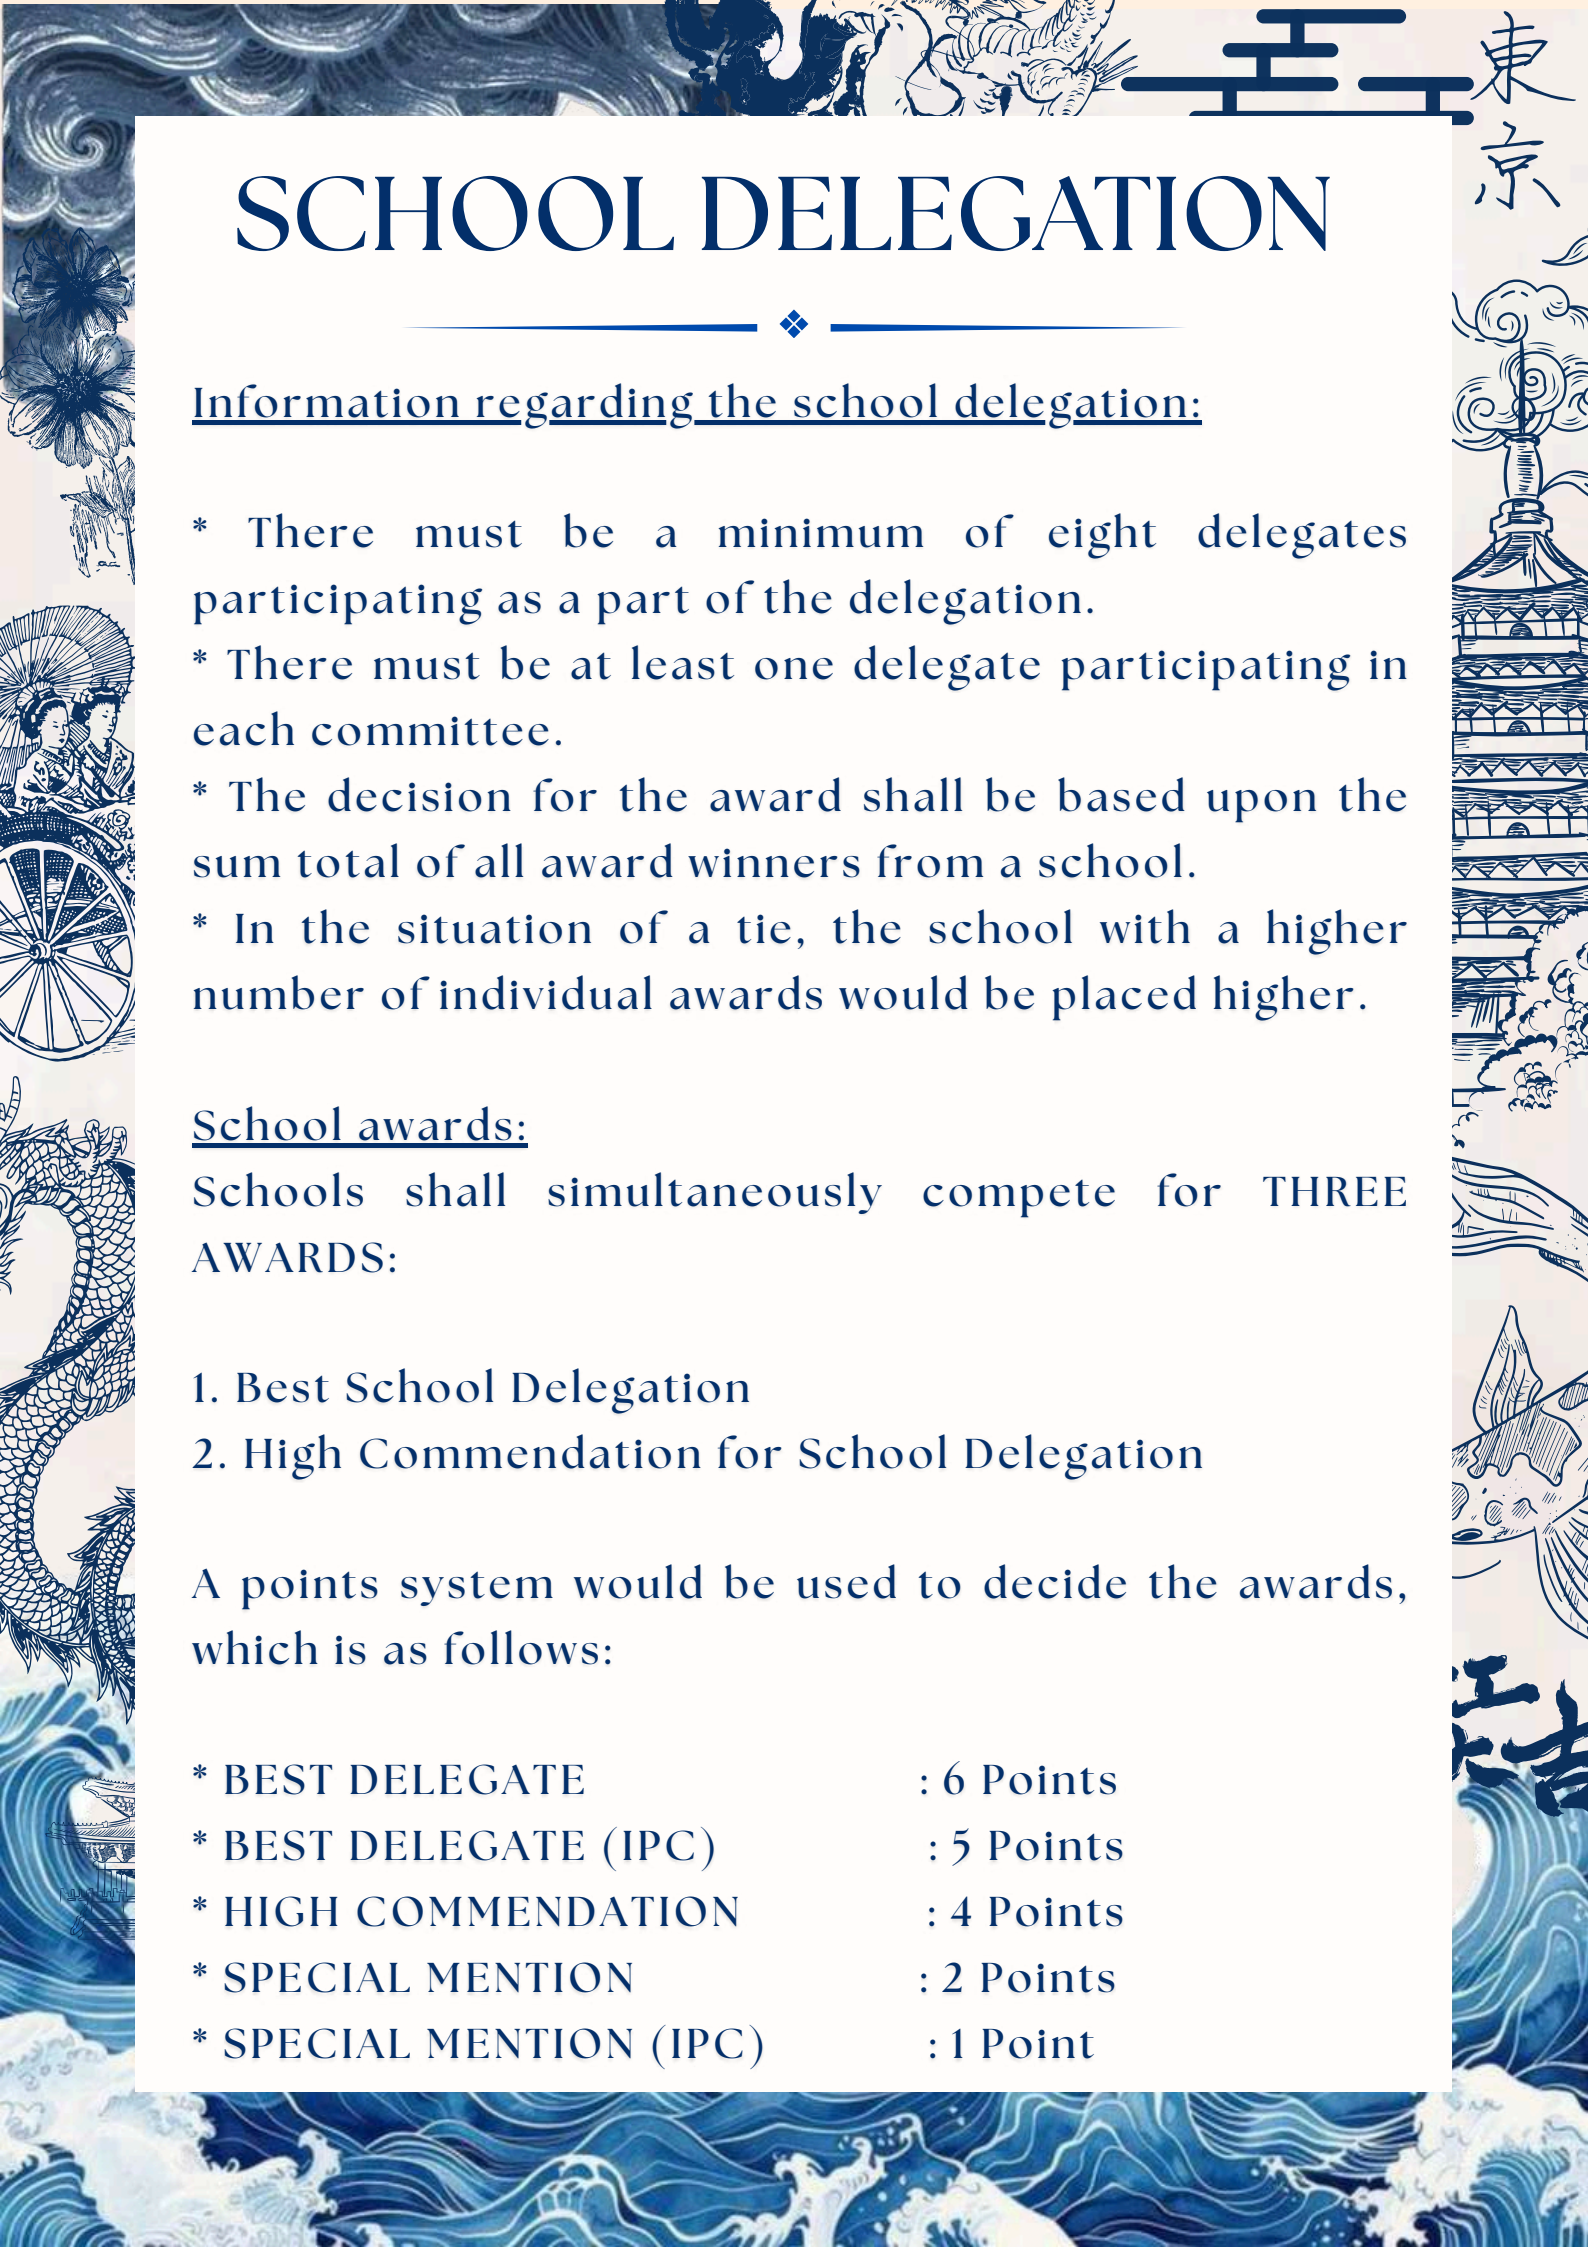

Research and presentation

PRIZES

TOTAL PRIZE POOL :

Best Delegate	6,000 INR
High commendation (2 nd position) (For all committees other than IPC)	4,000 INR
