CIRCULAR

Dear Parent,

"A single lamp can light another without losing any of its own glow."

There is something beautiful about Diwali that goes beyond the lights and festivities. One lamp lights another, and soon an entire space is illuminated. Education, too, grows in much the same way. Every lesson learnt, every opportunity embraced and every word of encouragement adds a little more light to a child's world. As we celebrate this festival, I extend my heartfelt gratitude for the faith you place in us and the encouragement you lend to our efforts. The months gone by have given us much to cherish, with our students making their mark in academics, sports, cultural pursuits and experiences beyond the classroom. It is a pleasure to share a few memorable highlights of this journey.

A Glimpse of the Months Gone By (July–October 2026)

1. **Navdrishti – Open House & Blood Donation Camp (25 July 2026**): A grand success, the event brought the school and the wider community together on a common platform. 2. **CONVENTUS MUN 4.0 (6–7 August 2026):** Welcomed 500 delegates from schools across Delhi NCR for two days of stimulating discussions and debate.

3. **DAV State Sports 2026 (30 September–1 October):** The school hosted volleyball and shooting competitions, welcoming nearly 500 students from DAV schools across Haryana, accompanied by their mentors, for a two-day sporting event. The participants stayed on campus throughout the event.
