Beginning of New Year is time for new chapters in life to be written and for a new phase of life to be lived with delight and self-discovery. It is time for students to carve out new dreams for themselves and to materialize those dreams through diligence, dedication and determination. Let us instil a sense of responsibility amongst our children; let them not fumble at their failures and let them stay focussed towards their scholastic and co-scholastic goals.

Together let us give our children roots to grow and wings to fly.

WISHING YOU ALL A VERY HAPPY AND PROSPEROUS NEW YEAR 2018
